

## Training

Solutions backed up with local training "Clear and easy to understand. Easy to ask questions", "Excellent - very informative". In a recent

. . . training session for the Milton Keynes Enterprise Gateway "with participants ranging from people with little or no knowledge to a number of people with established websites and [web designers] 18 out of 19 participant gave positive feedback" (the 19th didn't fill the form in).

Feedback included: "Very helpful", "Knowledgeable", "She is very knowledgeable in her area", "Linda was very good. Knew her stuff and very approachable", "Clear and easy to understand. Easy to ask questions", "Excellent - very informative"
